We will also be able to visit Joey in Victoria, and Denis(Peter's brother) when we are there.

Who's Where: Joey moved to Victoria, B.C. in September. He started a job in December for the B.C. Hockey Association. Ashley is in her second year at Queen's University. Nick is playing hockey for the Cobourg Cougars again this year and going to St. Theresa's. Dustin is in grade 10 at St. Theresa's and is playing hockey for the Quinte Red Devils, and for the school team.Most of the family were able to make it to our house in September for a bocce ball tournament to celebrate Mom's birthday. I can't remember who won but I know Bill & Theresa cheated. We wish everyone a very Merry Christmas, and a healthy and prosperous 2007. Drop in and see us.

Theresa & Bill McFarlane & Family...

Who's do What?
Russ is working at Township, Chris is at Belleville Machine Shop, Richard is at Quinte grade 11, Adam & Andrew are at St.Therea's grade 12 and Amanda is at Sir Sanford Fleming in Peterborough..
Merry Christmas to Everyone and Hope the New Year will be Great to each & Everyone.

Carol & Wayne Pascoe & Family...

Who's travelling? Darren, Tory, Charlie & Georgia will be at our home for part of the Christmas holidays - must share time with the other grandparents!
Who's doing what? Carol & I will be hosting the Powell family for Christmas dinner on Dec. 23rd while Patsy and Larry will be having Winnie & Ruth's clan for Christmas on Dec.27th.
Informative Tidbits: Carol & I were blessed with our third grandchild this past April 6th, Georgia Grace. We visited Shane, Sian & Sydney this past July and had a wonderful time in Calgary. Saw Jeff & Lindsey when we were there. On November 18th I had a surprise 60th birthday party for Carol. Many relatives and friends were in attendance with her brother Chuck from Texas and Shane from Calgary surprising her by their presence. All is well at our household and we wish each and everyone of you a Merry Christmas and a Happy New Year with good health and much prosperity for 2007. If you are in the neighbourhood drop in and say Hi.
Love Carol & Wayne

Sian & Shane Pascoe & Family...

Who's Traveling: Shane Sian and Sydney are planning a trip home in the spring.
Who's where: We are moving in the month of March. Just down the street, our new address will be 538 Tuscany Ravine Road NW Calgary. I'm not sure of our new postal code.
Who's doing what: Shane is still a firefighter and loving every minute. Sian still works at CAPP (Canadian Association of Petroleum Producers) helping to keep Alberta's economy strong. Sydney spends most of her bus days chasing her cat and talking our ears off (we can't always understand but there are more words everyday)
Hello: Merry Christmas to all and best wishes for the New Year! We hope this letter finds everyone in good health and good spirits. We are looking forward to Sydney's second Christmas. Sydney is doing wonderful and growing up fast. Her two favorite things for now are her cat Abbey and "Dora". She can count to five and has a bigger vocabulary than her dad. We still can't tell who she looks like; we have concluded that she is a good mix. Looking forward to seeing everyone in the coming months. Take Care,
Love,
Shane, Sian and Sydney

Tory & Darren Pascoe & Family...

Things are quite busy around our house these days. Charlie has turned our living room into a hockey arena and may be following in his Grandad's footprints as he seems to do a lot more refereeing than he does playing hockey. We are all looking forward to the holidays this year...especially Charlie, because he

has figured out that the rather large bearded man he sees everywhere is actually going to leave him some toys! Georgia is growing really fast, she has just started crawling, probably to avoid the crazy "referee". She also spends most of her time trying to eat anything and everything in sight. I guess she's a chip of the old block! Tory is extra busy looking after the kids and in her "spare time" she finds the time to work at the physio clinic. We are going to make the trek to Pascoeville for Christmas to spend some time with Nanny and Grandad. We wish everyone a Merry Christmas and a Happy and Healthy New Year

Cheyanne & Paul & Family...

Merry Christmas Everyone.. Hope for a Happy & Healthy 2007.

Chris & David Pascoe & Family...

Hello Pascoe family. It is hard to believe another year has passed by so quickly. Oh well that is life I guess.
David and Chris are still hard at work as usual. You would think we would know enough to quit but we just keep going. Dave is thinking about retirement but still hasn't taken that step yet. Chris is back to working part time again and enjoying that much better than the full time she has been doing for so long. Only one glitch this year. Chris broke her leg in July and was out of action for a few weeks. No golfing this year and Dave only got out a few times.
Al and Becky are still close by and doing well. Ron and Mel are both working hard. Ron is with Grand and Toy now and Mel was hired on permanently at her job. Hannah is in Kindergarten and doing very well. Jacob is in daycare and also doing well. In the spring Jacob will be welcoming a new brother or sister.
Hope all are well and have a great Christmas. We will of course be doing the potato pudding as usual. Hez and Peggy would be proud.
Merry Christmas and Happy New Year
Love, Dave and Chris

Jane & Larry Pascoe & Family...

MERRY CHRISTMAS TO ALL OF OUR PASCOE RELATIVES!!
We are the very proud grandparents and are having such great fun with our little Tanner.
Stacey is at home with us and keeping busy. She hopes to go back to school in the Fall.
Larry's business is going well and even though I'm retired, my life is busy. I work part time at Curves for Women and I do supply work at the school.
We have planned what seems to have become our annual trip to Florida with Tony and Debbie. We, of course, are hoping to get out to Calgary again this summer to visit Jeff and Lindsey.
Jeff and Lindsey got home to see us at Thanksgiving but we will certainly miss them during the Holiday Season.
Come see us!!
Larry, Jane and Stacey

Jeff Pascoe & Lindsey..

We've been able to spend more time in the West this past year thanks to all the visitors from back home traveling this direction. We're still waiting on a few more to plan a visit...??? Everything is good out here... We're both working lots and excited for the next few years. Take care everyone, all the best in the New Year
Jeff and Lindsey

Erin & Robert & Family

MERRY XMAS EVERYONE!!
We have had a busy and exciting year! Our little man "Tanner Robert" was born on January 20th and he has brought such joy to our lives. We all travelled to Airdrie in September so that Uncle Jeff and Aunt Lindsey were able to spend some quality time with their godson. It was a great trip. As of December, we are officially Islanders. We are back on Wolfe Island and we are in the process of taking over Robbie's family farm. Couldn't keep my boys off the farm. Come and visit us anytime.

Lesley & Ed Pascoe & Family...

We are settling in to Kingston this past year. Phil is working fulltime at Eikon and is the proud daddy of Aiden James, born April 5th 2006. He is really cute and looks a bit like his Grandpa Abel. Karli and Jesse are living in Peterborough and both attending school.
Karli is working towards her RN in nursing and Jesse is attending Trent University. Ed and I are enjoying our new city finding all the hotspots. We are having alot of fun with Aiden when he and Christine come for

there weekend visits. Wishing all a happy and healty 2007!

Pat & Larry Coffey & Family...

Merry Christmas to all from the Coffey Family. Another year has flown by. Retirement finds us both well (we still find time for Calculus tutoring, golfing, craft shows and Curves). We are looking forward to a wonderful holiday - Mark and Sarah and Sarah's mother Linda will be here from Kelowna and Brian will arrive from Montreal. The fridge will be filled with food - just like old times. Wishing everyone a healthy and happy Christmas and a fantastic 2007.

Sarah & Mark...

The year has flown by for us. We celebrated our wedding in the beginning of June and spent the rest of the month canoeing in Quetico Park, which is were we first met. In the fall we moved into a new home that gives us a big back yard in the middle of farm country which is only five minutes from the city, for Sarah. Our biggest excitement is that we are heading home to Ontario for the holiday season! Happy holidays and have a wonderful New Year!

Brian Coffey ...

Who's Travelling?
It seems that the VIA rail people know me by name. I've been making tracks between Montreal and Ottawa for a year. And some fun detours to swing some golf clubs in Melrose, distribute rings in Peterborough, and talk shop in Toronto, Boston and San Francisco. And a really fun but quick detour to Moscow and St Petersburg.
Who's Where?
My bookshelves are currently in Montreal. But I'll be moving them to California in a couple of months. [b_coffe@encs.concordia.ca] is my most stable address, and even that will be changing in the next six months - I'll keep you posted.

Who's doing What?

Mostly just reading, writing and programming computers. And occasionally drawing some pictures. I am currently finishing a masters in building engineering at Concordia, and am starting a job this winter with Lawrence Berkeley National Laboratory just outside of San Francisco.
Informative Tidbits and a Friendly Hello:
I would like to wish everyone the best of hugs, radiant fireplace warmth and rosy-cheeked happiness for the holidays and the upcoming year.

Buck Pascoe...

Who's Travelling?
Going to Kingston in January to have a Cornial Transplant. I will be going back and forth to Kingston for 3 to 6 months.
Who's Doing What?
I am going to help Terry to serve Christmas Dinner at Bridge Street United Church for the needy.
Dates of Special Upcoming Events?
If I live to May 16/07, I will be a young 80 years old, still walking and riding my bicycle.
Informative Tidbits and a Friendly Hello:
On Jan 8/07 it will be one long year since my loving wife Ruth passed away. I miss her so much, her laughter, smile, hug and kisses. This year Terry and myself planted flowers at the cemetery. The flowers looked beautiful all summer. PS. Thanks to everyone who helped to water the flowers. (Ha, ha) Merry Christmas & Happy New Year to Everyone with Best Wishes and Good Health for 2007

Shirley & Roger Jones & Family...

We would like to extend to Everyone, our Heartfelt wishes for a Safe & Happy Holiday. Hope 2007 brings Health & Happiness to Everyone.

Annette & Larry White & Family..

We would like to wish everyone a very safe and happy holiday!!!

Sue & Harold Pascoe & Family...

It's been another busy, but great year! Susan and I finally took our trip down east in September and are going south to the Caribbean for a week in January. Wayne and I "joined the boys" in Myrtle Beach for our annual week of golf in November. Melissa is still living at home, working in Ottawa and keeping very busy. Susan, once again, is organizing the Spring Farm Show (definitely the last time, I think) and I retired for the second time at the end of April, and had a very busy summer, which included work around the corner at "you know who's". I'll be glad when Ben is old enough to cut the grass.
Merry Christmas and a Happy 2007 from Pascoeville North!!
See you at Christmas.

Karyn & Martin Pascoe & Family...

Where does the time go! Emma (3.5) Ben (1.5) are absolutely perfect (in our eyes of course). We are all looking forward to Santa's arrival and spending with family over the holidays. Special Christmas wish to Great Grandma! a Merry Christmas and a Healthy New Year to the entire Pascoe Family.
PS. - Let's hope the referee can keep up with the play this year, keep an eye on Mr. Boney Elbows Hal (Dad) Pascoe!
Karyn, Martin, Emma and Ben Pascoe

Theresa & Bob McFarlane & Family...

We would like to wish everyone a great Christmas and all the best in 2007.

Trudy & Gary Sopaz & Family...

Sam is at McMaster in his 2nd year taking mechanical engineering & management. He is enjoying it very much even with all the work.Jesse is in grade 12 at St. Theresa's & is involved with just about everything in the school. He & Zach are playing hockey out of Tweed this year & enjoying the roughness of the game. Zach is in grade 11 at St. Theresa's & is enjoying the social scene there. Gary is still teaching at St. Theresa's, helping to coach hockey with the boys in Tweed, working on a new Habitat for Humanity project soon to be announced & is now involved in the school travel club fund raising for a trip to Greece (which I get to tag along as a chaperon on), so that leads it to me. I am still at Templeman Menninga in my 21st year there. We have had lots of challenges this year at work & more to come. It keeps it interesting. Gary & I leave for Greece on March 7th for 9 days. We are having an open house on New Year's Day & hope everyone can make it. PS bring along skates etc. for a game of pond hockey. Come & enjoy a day of food/cheer & laughs. We wish everyone a great Christmas & hope to see them in the New Year.
Take care Trudy, Gary, Sam, Jesse & Zach

Pascoe Traditional Potato Pudding

(this recipe is a tradition of the Pascoe Family)

- 12 large potatoes**
- 1 lb. Ground suet**
- all-purpose flour**
- salt**

Grind potatoes and mix with ground suet, add all-pupose flour and kneed to a firm consistency. Add salt to taste. Wrap pudding with one of Aunt Marjorie’s old pillow case’s and tie tightly. Place in a large pot of water and boil for 3 hours. Remove from water and let set for 15 minutes, then take old pillow case off. Slice and smother with fried onions or apple sauce or try anything else.
