A very Merry Christmas and a Happy New Year
With love and very Best Wishes

Betty-Lou & Peter Walsh & Family...

Who's Traveling: We flew to Vancouver for 10 days in July to visit Joey in Victoria, Denis and family in Vancouver and for Nick and Dustin to play for Ontario in the Canadian Ball Hockey championships. We came home with a gold and a silver. Dustin was selected to play for team Canada in Slovakia next June. Joey is still loving his job with B.C. hockey, but finding that Victoria is a long way from home. Peter is eligible to retire in October 2008, Ashley is at Queens University in Kingston and Dustin and Nick are at home. Nick is playing hockey for the Cobourg cougars and Dustin plays for the rival Quinte West Pack. We celebrated our 25th anniversary on Thanksgiving with a party at our home. Thanks to everyone who was able to join us. Merry Christmas and a healthy and prosperous 2008.

Carol & Wayne Pascoe & Family...

Who's travelling? Darren, Tory, Charlie and Georgia will be at our home Christmas day as well as Grandma Pascoe and Nanny Powell.
Who's doing what? Carol is keeping busy with babysitting in Ottawa on a regular basis. She can't seem to keep away from those grandkids. She wants to do the same thing in Calgary but cannot figure out a way to get there quickly!! Wayne has had to put his golf clubs away until next March. Carol has twisted his arm and has forced him to go to Myrtle Beach for the month!! Oh yes. Carol and Wayne spent a week in Calgary in October visiting Shane, Sian, Sydney and the newest arrival to our family--Kyle--born on September 15, 2007. While we were out there we visited with part of another Pascoe family--Jeff, Lindsay, and Reid Pascoe. The clan is expanding in leaps and bounds.

Carol and I would like to wish everyone Merry Christmas, Happy New Year and may the New Year bring everyone good health, happiness and prosperity. And for the golfers in the family may your drives be long, straight and on the short grass. If that is too much to ask for at least straight and on the short grass.

Sian & Shane Pascoe & Family...

Our beautiful baby boy was born on September 15th. Kyle John Cuyler is a healthy baby who weighed in at 8 lbs 13 oz and was 21.5 inches long. He is keeping his big baby status and is wearing 6 - 12 month clothing. So different from his petite sister! Sydney welcomed her new brother with open arms and really enjoys being a big sister. Sydney is well and continues to amaze us each day. Although most of our family lives far away, we are happy to have baby cousin Reid nearby. We were very excited when Jeff and Lindsey welcomed their little one. Mum and Dad were out for a visit in October. We had a fabulous time with the grandparents, especially the kids. Sian is on maternity leave and loves being a mom. Shane continues to work as a firefighter and loves it. He is also playing hockey and looking forward to the upcoming ski season.

We are spending Christmas in Calgary and are looking forward to Christmas with two kids. We wish all of you a Merry Christmas and health and happiness in the New Year.
Love, Shane, Sian, Sydney and Kyle

Tory & Darren Pascoe & Family...

Well, another year has come and gone and I guess that makes me another year wiser, well at least

older. The kids are fantastic and as busy as ever. Charlie started preschool in the fall and loves it. Tory and I on the other hand are just starting to come to grips with it! Georgia has grown into the perfect little girl, she loves to play hockey and doesn't particularly like any of the boys in the neighborhood, July to more could a Dad ask for! Tory is still working part-time as a massage therapist and full time as a Mum. We are traveling to Pascoeville the weekend before Christmas and will remain in the area until after the big Pascoe Hockey game. Splitting our time between Mum & Dad's and Tory's parents place.
We wish everyone a Merry Christmas and a Happy and Healthy New Year

Cheyanne & Paul Cooney & Family...

Warm wishes to all for a safe and happy holiday season! We are looking forward to seeing the Calgary Pascoe's at Christmas. Paul is still enjoying being a milkman but is also enjoying his part time hours. He had fun on his "northern" golf outing with Larry P. and friends and is looking forward to his Tennessee Golf trip in March. I keep busy keeping up with everyone else. Mom (Helen) continues to be content at Bridge Street and seems surprised by the 10 great grandkids she now has!
Love, Cheyanne & Paul

Andrea & Scott Cooney ...

Both of us have had a wonderful and exciting year that has involved a lot of traveling. Our trips have included Cuba, Vancouver, New York City, Québec, Northern Ontario (Who doesn't like visiting Wawa?!), New York and Newfoundland. We are both enjoying our work. Andrea received a permanent position teaching grade 4 French Immersion and Scott is working away in the family milk delivery business. We wish everyone a Happy New Year filled with much happiness.
Scott and Andrea

Amy & Scott Sharpe & Family

Happy Holidays to all! It is hard to believe that 2007 is almost over already...it has been a fun and busy year for the Sharpe family. Alexander is now six and enjoying life in Grade 1. He is a little man of many, many questions. Caleb just turned three and is attending pre-school. He is quite the bundle...it is hard for us to believe he will be in kindergarten next fall. They are full of energy and keep us laughing.

I was lucky enough to head out west with Erin to visit Jeff & Lindsey and Reid in September. It was a wonderful few days of visiting, pictures, The Office, and snuggling with our newest family member. We were blessed with the arrival of two new little cousins in 2007 and look forward to Baby White's arrival in the spring.
Scott and I had our 10th anniversary in October. We celebrated with a trip to New York City. Our trip also involved the Kona Cadence competition where Scott was one of the six finalists. He won a bike along with other great prizes and a years worth of training. He is currently preparing for, among other events, the Ironman Triathlon in Arizona next fall. Check out his blog at www.scottsharpe.blogspot.com

It was so nice to catch up with many of you at the picnic and Peter and Betty-Lou's anniversary! We hope this finds everyone healthy and happy. Merry Christmas!

Love, Scott and Amy, Alexander and Caleb

Merry Christmas to all from the Coffey family. Larry has been very busy with tutoring and I with my craft shows (we are going to have to someday figure out what retirement is really all about) but we still found time to holiday in sunny Florida is March. We are so excited to be travelling to Kelowna, B.C. to spend the Christmas season with Sarah, Mark and Linda (Sarah's mother). Brian will be coming north (from California) for part of the time as well. It will be wonderful for Sarah and Mark to start their own traditions. We want to wish everyone a healthy and happy 2008.

Sarah & Mark Coffey ...

Sarah and I have spent the year playing house - in our own new house! We have Mom Schillemore to thank for our new living situation as she recently retired and moved to Kelowna where she lives in the downstairs of the new house. Most of the year has been spent renovating and with any luck we should have the renovation finished by the next addition of the Pascoe newsletter. In-between renovations Sarah is working as a dispatcher for the RCMP 911 center and Mark is working as a freelance photographer. We hope that you have a wonderful holiday and fabulous New Year. Love Mark

and Sarah.

Brian Coffey ...

Who's Traveling?
An entire year spent on just one continent. Who'd a thunk it? But not all is lost - there have been some wonderful drives along the coast in California, some mountaineering in Whistler, some camping in Baja, and an excellent visit to Mark and Sarah's new home in Kelowna during the summer. And I'm looking forward to heading back there for Christmas.
Who's Where?
I moved to bcoffey@berkeley.edu (just across the bay from San Francisco) last February 14th, just to be romantic about it.
Who's doing What?

- 12 large potatoes**
- 1 lb. Ground suet**
- all-purpose flour**
- salt**

Pascoe Traditional Potato Pudding

(this recipe is a tradition of the Pascoe Family)

Grind potatoes and mix with ground suet, add all-pupose flour and kneed to a firm consistency. Add salt to taste. Wrap pudding with one of Aunt Marjorie’s old pillow case’s and tie tightly. Place in a large pot of water and boil for 3 hours. Remove from water and let set for 15 minutes, then take old pillow case off. Slice and smother with fried onions or apple sauce or try anything else.
